

# EXPORT HOUSES

The community's cumulative earning from this section of business stands second to none of other businesses people of this community are engaged in. Some of the top export houses in Nepal are owned and managed by Tibetans. Recent period witnessed many of these export houses opening their Export branches in India. It is not lifting of business base but expansion of one of the most profitable business Tibetan have undertaken. In this section of TBD we have brought in contact information of some of the Tibetan Export Houses and the items they export and services they offer.
